\*\*\*Some DVD-R/DVD-RW and CD-R/CD-RW discs may be incompatible due to laser pick up and disc design. CD-R/CD-RW discs must be recorded using CD-DA method for CD audio playback. The DVD Recorder may not support some P3/WMA/JPEG/DivX recordings due to differences in recording formats, disc structure, or condition of the disc (use of CD-RW for MP3 files is not recommended). See owner's manual for more information.

\*\*\*\*Use of REGZA LINK, which is a feature based on HDMI-CEC, requires an HDMI-CEC compatible display device. Depending on the display device specifications, some or all REGZA LINK functions may not work even if the display device is HDMI-CEC compatible.
